Why is **reinvention** scary,
intimidating, better for
others vs ourselves?

A young girl and a woman, both wearing sunglasses and black dresses, holding microphones as if performing on stage. The girl is on the left, and the woman is on the right. They are both looking towards the camera. The background is a plain, light-colored wall.

BUILDING CONFIDENCE

FLEXIBILITY

The image features a series of layered mountain ranges in shades of dark teal and blue, creating a sense of depth and vastness. The word "RESILIENCE" is prominently displayed in the center in a bold, white, sans-serif font. The overall mood is serene and powerful, suggesting strength and endurance in nature.
